

LOGANVILLE CHRISTIAN ACADEMY

We exist to prepare students academically, spiritually and socially for God's call on their lives.

Extended Care

LCA's Extended Care program encompasses JumpStart, our new morning program & AfterCare, our after school program.

Jump Start is a fun, high energy, morning program for LCA students, PreK- 5th grade. Mrs. Kellie Snell, lower school Physical Education teacher, is launching this new and exciting program. Jump Start is an opportunity for students to actively engage in movement, games and fun activities in a positive and safe environment. Drop off will begin at 7:00 am each day, with activities kicking off at 7:15 am. Parents can enroll their children monthly for a discounted rate or drop-in, as needed. Aside from being a fun way to interact with classmates, research shows that just 10 minutes of exercise improves focus and problem solving in the hours immediately following an exercise session. Daily physical activity also helps promote healthy growth and development and will improve students' physical and mental well-being. So, let's get moving and Jump Start LCA!

After Care offers students a time to complete homework as well , play games with other students and spend time outdoors before going home for the evening. Our desire is to create a fun and exciting time for students in LCA's Extended Care program.

Director: Kellie Snell—kellies@lcalions.com
