AREA RUG PAD

Specially made to enhance the performance of any and all rugs

- Fuzzy Top Scrim- extra fiber added to the top scrim to prevent any rug movement off the cushion base.
- Made of high density polyurethane foam preventing floor irregularities from showing thru on the rug face.
- Breathable product which helps prevent color changes on wood floors.
- Minimizes rug slippage.
- No adhesive used- no residue on floor.
- High density helps prevent crushing and matting.
- No smells, odors or chemical emissions.
- Will not disintegrate
- Non allergenic
