CHAMOMILE CONCENTRATE

ANTI-BLEMISH MASQUE

A luxuriously concentrated mix of acne-fighting ingredients: kaolin clay draws oil from the skin, antibacterial tea tree oil fights the root cause of blemishes, and chamomile bud extract reduces redness and inflammation.

**CREME DE LA MER**  
MOISTURIZING SOFT CREAM

This lightweight cream pairs La Mer's famous Miracle Broth and lime tea extract in a perfect combination that's been proven to enhance skin's moisture by 70%.

**SHISEIDO**  
MEN SHAVING CREAM

Thicker than an aerosol foam, and twice as hydrating, Shiseido's lubricating cream helps a razor glide smoothly over the contours of the jaw and chin, and prevents redness and irritation.

**DIOR HOMME**  
DERMO SYSTEM AGE CONTROL  
FIRMING CARE

A moisturizing treatment made with a patented Retensium complex to make the face look fuller, and zinc, to reduce the appearance of pores.

**TOM FORD**  
BRONZING GEL

Effective without being overpowering, this nourishing gel provides a hint of color but never leaves the skin looking oversaturated.

**LA PRAIRIE**  
FOAM CLEANSER

This formula resembles a typical cream on first application, and foams instantly with the addition of water, creating a cleansing mousse that dissolves dirt and pollutants with natural plant extracts.
