

# Summer School 2017

Mount Logan Middle School's (MLMS) 2017 Summer School program is being funded through the USU STARS! GEAR Up grant, USTAR grant and School LAND Trust funds. These funding sources allow us to register currently enrolled MLMS students free of charge.

Enrollment will be based on first come, first served basis and limited to a maximum number of students as indicated in the class description. Due to the high demand for summer school, we are asking that all students registering commit to attend the full duration of each session(s).

If you have any questions, please contact Ms. Larsen at (435)755-2370 ext. 6123 or [leigh.larsen@loganschools.org](mailto:leigh.larsen@loganschools.org)
