## Por Vida (NV)

### Estate Blend

**50% Cabernet Sauvignon | 41% Primitivo | 9% Mourvedre**

Por Vida is our proprietary blend representing the distinct qualities of our vineyard. The results are earthy, fruity and wild aromas with balanced flavors of blackberry, plum, pepper and vanilla. Located in the acclaimed Adelaida region of Paso Robles, we specialize in artisanal estate wines. Our sustainably farmed vineyards are deeply rooted in rugged limestone hills exposed to sunshine and ocean air consistently producing complex fruit.

**Winemaking Notes:** From 100% single vineyard estate grapes, we hand picked and vineyard sorted on three separate very cold mornings in November. The grapes went straight to the destemmer and crusher. The musts were then cold soaked for two days. The varietals here were fermented separately in open top containers. They were managed with punch-down and pump-over processes twice daily. The must was kept cool for a long fermentation preserving fruit notes. The wines were aged in 34% new Hungarian oak and 66% neutral French oak for 24 months.

**Recommended Pairings:** The Mourvèdre in this wine imparts an earthy complexity and robust character. It will stand up to very flavorful and complex dishes, which may be based on duck, rabbit, venison or lamb. Enjoy with ethnic combinations, which may include mushrooms and herbs.

#### Awards:

Gold- Central Coast Wine Competition  
Silver - San Francisco Chronicle Wine Competition  
Silver - Los Angeles International Wine Competition  
Bronze - Long Beach Grand Cru
