A specific amount may be given to you on booking and invoice. Where event tickets apply, deposit may have to include the ticket in full and this amount is non-refundable should the ticket not be re-sold or subject to suppliers' rules. Some air fares must be paid in full on reservation and airline rules apply over and above those of Travelstrive (PTY) Ltd. These airline rules pertain to changes, cancellations and refunds if any.

TERMS & CONDITIONS

1. RESERVATIONS & PAYMENT POLICY:

A non-refundable deposit depending on your package to cover land and/or transport arrangements is payable at the time of reservation* ('collectively referred to as 'the Deposit') as well as the "event ticket" in full. (Note the amount of the deposit will vary depending on the package you choose.) The balance of the tour price (see below) is due 9 weeks prior to departure. Travelstrive (PTY) Ltd reserves the right to cancel any reservation for which the deposit or total price has not been paid by the due date, in which case the deposit will be forfeited to the Company.

A Completed booking form is needed before The Company is able to secure reservation. (AND VALID PASSPORT COPIES IN THE CASE WHERE THE COMPANY IS ARRANGING ANY FLIGHT DETAILS ON YOUR BEHALF).

Final amount of the balance is based at the current exchange rate and re-invoiced on the day that final invoice is requested (at least 9 weeks prior to the departure date).

2. AIR TICKETS: - IF PURCHASED WITH TRAVELSTRIVE (PTY) LTD ONLY:

Air tickets booked with the Company that are part of group allocation will only be issued eight weeks prior to departure or as per the selected airlines terms and conditions. Airlines reserve the right to cancel or change schedules, taxes, fuel levies, fares and pertaining air fare rules including cancellations, refunds and amendments. The Company will not be liable for any costs involved due to these changes. Any

cancellation fees applicable to airfares will be subject to Airline conditions. The company cannot be held responsible for airline rules, terms and conditions and the company's terms and conditions do not apply to Air travel and air fare rules.

Travelstrive (PTY) Ltd must issue all air tickets in the exact name of the passenger, spelled exactly as per each passenger's passport. The Company will not be held responsible should the names of the passenger differ to those reflected in their passport. Booking forms therefore need to be completed in full and with correct details and passport copies received.

Any published airfares that are outside the Company allocation will have to be paid in full, on booking, and in accordance with the rules of the pertaining air fare, in order for the Company to issue tickets and hold confirmed seats and price.

If full payment is not received by the applicable date the airline will automatically cancel the reservations.

Air tickets / air fares, are linked to contracts ('Air T&C') and are very complex and can entail very strict requirements regarding change, airport and departure taxes and cancellation provisions and you MUST enquire about ALL the applicable conditions BEFORE you pay for the ticket. You should also take note that if your flight/itinerary consists of more than one flight/coupon/ticket, you are not allowed to use such tickets/coupons out of sequence or to 'skip' one (& e.g. opt for train, bus or car transport) as this will VOID the entire balance of the journey/itinerary. 'No-shows' may result in the ticket being voided and/or the Client being charged a cancellation fee. Note that the Air T&C shall constitute the sole contract between the airline and the Client and any right of recourse the Client may have, will be solely against the airline in terms of the Air T&C. Your rights of recourse as a consequence of over-booking are prescribed by the CPA. Loyalty programs are governed by strict rules of which the Client must be aware and retention of boarding passes and other documentation pertaining to such programs is the sole responsibility of the Client. Consult your consultant about refunds for unused tickets as strict deadlines apply.

3. BAGGAGE ON FLIGHTS:

In general, a baggage allowance of 20 – 23 kilograms per person is permitted for economy class travellers (and in some cases only 1 or 2 pieces of luggage depending on size), and 30 kilograms for business/first class travellers on domestic and international flights. These figures differ from airline to airline and are subject to change from time to time. Please check with the airline(s) you will be travelling on before departure. It should be noted that the limit is per person and more than one person cannot aggregate their collective baggage weight.

4. UNUTILISED SERVICES & ALTERATIONS:

After Final Payment Deadline, no refund will be considered for any unutilized services irrespective of whether or not they form part of the basic inclusive holiday arrangements. The Company will levy a R500.00 amendment fee for each alteration made to bookings after the initial reservation is made.

See also section 7 – cancellations.

5. ITINERARY VARIATIONS:

While every effort is made to keep to all published itineraries, The Company reserves the right to make any changes for your convenience of which you will be advised. In some cases, weather conditions can necessitate an alteration to the itinerary: this does not constitute any reason for a refund, however.

6. DOCUMENTATION:

All passengers will be personally responsible for ensuring that they are in possession of the correct documentation prior to departure. The Company will endeavour to get final documents to you at least 21 days prior to departure. Event tickets are generally only issued two weeks prior to departure for

security reasons. Therefore, should this cause a delay, The Company will release the balance of your documents to you and forward the event tickets at a later stage. These may also be delivered to you at your hotel prior to the event.

Passports, Visa's, Health Requirements

It is the responsibility of the passenger to ensure he/she is in possession of a valid passport, visa and re-entry permit and that any vaccinations, inoculations, prophylactic (e.g. for malaria) and the like, where required, have been obtained before departure.

All passengers will be personally responsible for ensuring that they are in possession of the correct documentation prior to departure. Please check the requirements with your retail Travel Agent or consulate before travelling. The Company does not accept responsibility for any consequences whatsoever arising from a passenger failing to ensure that he or she has complied with the necessary health, passport and visa requirements and the Client indemnifies the Company against any consequences of non-compliance.

Visas are required by South African passport holders for many destinations and passports should be valid for six months after the intended return date & must have a minimum of three (3) blank pages. All passengers and retail travel agents are personally responsible for ensuring each traveller is in possession of the correct documentation prior to departure.

It is the Client's duty to familiarise him/herself with the inherent dangers of and mental and/or physical condition require for the proposed travel arrangements.

The client must ensure that the details supplied to the Travel Agent mirror those details shown on their passport for international travel and ID documents for local travel. The Company cannot be held responsible if visa applications are denied for any reason, nor can we be held responsible for any change of cost, requirements, delays or loss of passports caused by the Consulates concerned. Please note that a visa does not guarantee entry to any given country at point of entry. Non South African passport holders may also be required to have re-entry documentation and it is entirely the client's duty to ensure that such documentation is in order before departure.

7. CANCELLATIONS / AMENDMENTS:

Cancellations:

In the event you wish to cancel your reservation for any reason, as well as reasons such as acts of terrorism, weather, force majeure, etc., such cancellation must be made in writing and in such instances cancellation charges will be levied in accordance with the supplier for the event / holiday you are taking. The Company will impose a cancellation fee over and above the suppliers' conditions, of R1000.00 per person. Information on supplier's cancellation regulations can be requested at the time of booking so that you are aware of the exact conditions.

Should you fail to utilise any portion of a package, (join the tour or join it after departure or leave it before completion) no portion of the holiday is refundable. The cancellation charges are subject to VAT and any commissions paid. The Company cancellation fees apply to land arrangements only and any cancellation fees applicable to airfare will be subject to Airline conditions.

Amendments:

If you wish to amend your reservation for any reason, as well as reasons such as acts of terrorism, weather, force majeure, etc. an amendment fee of R1000.00 per person will be charged for each amendment made to a fully confirmed reservation. This amendment fee excludes the applicable airline reissue/cancellation fee (applicable if tickets have already been issued), or any other costs from any supplier for example hotel, transfer, tour, event ticket, equipment rental or any part of the trip that has

been pre-purchased. Should you not be able to travel, but another person will take your place, there will be an administration fee of R2500.00 per person in order to change arrangements, documents, etc. This may not be permissible by certain suppliers and will therefore only apply where we can assist.

Cancellation of an Event – if your trip includes an event or event tickets where the tickets are purchased with Travelstrive (PTY) Ltd:

Should the event organising body cancel or change an event for any reason whatsoever, The Company cannot and will not be held liable for any losses incurred as a result of this cancellation. Only refunds levied by the respective suppliers will be passed onto the client, less a R1 000 administration fee by Travelstrive (PTY) Ltd. Please be aware that overseas refunds reflect at the selling rate which is lower than the buying rate invoiced to the client.

8. TRANSFERS:

Any transfers missed or altered by the client, for whatsoever reason, shall not be the responsibility of the Company and any travel arrangements made in respect thereof shall be for the client's account. Transfer timings and coach sizes may be varied at the discretion of the Company representative. Transfers of less than 20 clients may be made by mini buses or train. Group transfers usually depart airports, hotels and events at specific times or shortly after the arrival of flights. If you miss your transfer you will be required to make your own arrangements and may not be refunded for this service. Private transfers can be arranged for the account of the client. These are usually more expensive than group transfers.

9. ACCOMMODATION:

All accommodation that the Company uses has been personally inspected by its staff and/or its agents in the country or city. The Company reserves the right to change requested accommodation to that of similar grade or better - this does not constitute any reason for a refund, however.

Where a client requests a change of accommodation a full cancellation fee will be charged in accordance with "Clause 7" above and the client shall be deemed to have made a new booking. Please note that accommodation establishments and facilities may be acceptable for some people and not for others. Opinions of establishments vary and the company cannot be held responsible or refund you should you disagree with the choices made once you have paid in full. It is recommended that you speak to your travel advisor or research the accommodation before payments are made.

10. SKI, CYCLING, GOLF OR ANY OTHER EQUIPMENT: Please see and acknowledge addendum when booking.

All equipment, skis, boards, toboggans and ski-bobs are not insurable and are the client's responsibility. The Company reserves the right to recover any losses incurred from the client on borrowed or hired equipment. It is the client's responsibility to return all equipment to the supplier thereof a day before departure from a resort or town where it is hired from. Where a client fails to return the hired equipment, the company reserves the right to invoice the client for the hire of the equipment for each day it is not returned. Alternatively, where the cost of replacement is lower than the hire charges, the Company will invoice this amount and a fee of R500 for settlement of the initial outstanding hire charges. The company does not give its employees the authority to accept responsibility for the return of ski or sport equipment to the supplier thereof. The responsibility rests solely with the client.

11. DELAYS:

The Company does not hold itself responsible nor can it be held responsible for any delays prior to departure, or during the course of any package, whether brought about by technical difficulties, strikes, weather conditions or any other circumstance whatsoever, whether unforeseen or foreseen including force majeure, vis major, acts of God or any circumstances beyond the control of the Company. It is

understood that any expenses in relation to these unscheduled extensions (e.g. hotels, meals, telephone calls, etc.) will be for the passenger's account.

12. RESPONSIBILITY CLAUSE:

While the company makes every effort to ensure that all arrangements and services connected with your tour, will be carried out as specified in the most efficient and effective way possible, transport, hotels, restaurants and other services though selected with utmost care, are not under the control of the Company and the Company only acts as agents for the suppliers of these services. Therefore, the Company shall not in any way be liable as a principal to any person as a result of any act or omission on the part of such suppliers either in South Africa or at the destination. The Company shall furthermore not be liable for any loss, damage, injury, accident, delay, or any other irregularity that may be occasioned by a defect in any vehicle or other form of conveyance, including as well, ski equipment, ski lifts of any kind, ski bobs, toboggans and snow boards, cycles, motor cycles, of any kind, or by error or default of any company or persons engaged in conveying passengers carrying out the arrangements of the tour or otherwise in connection therewith. The client shall not hold the Company liable for any injury, damage, illness, accident, harm, death or otherwise that may occur as aforesaid or whilst on their holiday, unless, in the case of injury or death, it is due to the negligent act or omission of the Company. At this time, it is imperative to mention that any traveller or accomplice take out adequate travel insurance to cover any expenses related to any of the above, and any possible unforeseen circumstances that your insurance may cover. If any group travel or incentive or business travel be conducted, please take into consideration any group disasters that may affect a company, business, families and friends of travellers and ensure adequate corporate insurances and precautions are taken. The Company cannot be held responsible or liable in these circumstances as the Company has hereby made you aware of these responsibilities, that must be adhered to by yourselves.

Any liability of the Company will be subject to a limitation of R10 000, 00 (Ten Thousand Rand) per Client per booking. The client indemnifies and holds harmless the Company, its employees and agents accordingly. The Company, its employees and agents shall furthermore not be liable for any indirect and/or consequential loss or damages whatsoever and howsoever arising, unless section 61 of the CPA applies.

The client undertakes to have adequate insurance to cover any such event. The Company does not accept liability for changes, omissions or delays before or during the course of any published tour or any individual itinerary occasioned by technical difficulties, weather conditions / Acts of God, strikes, political events or communication breakdowns.

The contract in use by the aforesaid suppliers (which is often constituted by the ticket issued by the supplier), shall constitute the sole contract between the supplier and the Client and any right of recourse the Client may have, will be solely against the supplier. The Company will provide the identity and terms and conditions (or access thereto) of all the suppliers relevant to the service being provided for the Client's booking. It's the Client's responsibility to familiarise itself with such terms and conditions ('the Supplier's Conditions').

13. ENTERTAINMENT for groups when purchased over and above a normal package or part of a supplier's package:

Whilst every endeavour will be made to offer entertainment programs the Company cannot guarantee all events due to factors such as weather conditions, length of client's holiday or minimum required number of passengers per activity. The Company shall be solely responsible for the selection of entertainment to be offered each evening and will have the absolute discretion to vary the programme as it deems necessary. Any refunds required will be made by the Company in South Africa prior to departure.

14. INSURANCE: Group or individual travel insurance is only included when stated on the quote or confirmation. However, it will only apply to the dates of the ski, sport or event holiday and package but it can be extended/upgraded upon written request prior to departure. In terms of FAIS act the consultant cannot discuss and/or give any advice on insurance cover, policy, insure or not etc. – all that must be discussed directly with insurer/broker. I declare that should I refuse Travelstrive (PTY) Ltd's travel insurance, including medical and cancellation cover, that I will not hold the Company responsible for any related claims.

It is strongly advised that all Clients take out adequate insurance cover such as cancellation due to illness, accident or injury, personal accident and personal liability, loss of or damage to baggage and sports equipment (Note that is not an exhaustive list). The Company will not be responsible or liable if the client fails to take adequate insurance cover or at all. It shall not be obligatory upon the Company to effect insurance for the Client except upon detailed instructions given in writing and all insurance effected by the Company pursuant to such instruction will be subject to such exceptions and conditions as may be imposed by the insurance company or underwriters accepting the risk, and the Company shall not be obliged to obtain separate cover for any risks so excluded. Should the insurers dispute their liability for any reason, the Client will have recourse against the insurers. Once the insurance has been confirmed and paid for, the Client will be issued with a policy document of the insurer. It is a complex document which must be read BEFORE you initiate your travel so that you can address any queries you may have to the insurer BEFORE you depart.

For any business or incentive trip, it is entirely the travellers' or business' responsibility to cover for any business-related matter for any cancellation, personal accident, personal liability, loss or damage to baggage and any equipment (note that this is not an exhaustive list). The company will not be responsible or liable if the traveller or business fails to take adequate insurance cover against travellers and business'. It is recommended that the business and travellers gain advise in this regard with a reputable insurance company.

Please note that various credit card companies offer limited levels of travel insurance, which the Company does not consider sufficient cover for international travel. Kindly check with the respective credit card companies in order to obtain the specific details of the cover.

15. SPECIAL REQUESTS:

Please specify any special requests you may have with regard to seating or meal requirements at the time you make your booking. The Company accepts special requests on the understanding that whilst The Company will make every effort to comply, under no circumstances can The Company guarantee that they will be met.

16. CAR AND VEHICLE HIRE: If hired with the Company and DRIVERS' LICENSE

These contracts ('Car Hire T&C') are onerous & include absolute, no fault and strict liability provisions. These Car Hire T&C must be read very carefully and anything you don't understand or about which you have any misapprehension must be discussed with the car hire consultant BEFORE you sign the Car Hire T&C. Please note that you will be liable for all traffic fines and toll fees. We strongly recommend you check the vehicle thoroughly with a representative of the car hire business upon collection and return and ensure that any damage, scratches, faults or shortcomings are noted & signed for. Note that the Car Hire T&C shall constitute the sole contract between the car hire travel agent and the Client and any right of recourse the Client may have, will be solely against the car hire company in terms of the Car Hire T&C. International Driver's License.

If passengers intend to drive a rental car they should obtain an international driving permit from their local AA office if required.

17. RECONFIRMATIONS:

It is the responsibility of the client to reconfirm onward flights within 72 hours of arrival at any destination. Failure to do so may result in the cancellation of their flight reservation by the airline. Some airlines do not require this.

18. PRICES:

Prices quoted are in Rand's. Final payment will be calculated at the prevailing exchange rate of the day of final payment to the Company. If a deposit only is paid, the final amounts owed will be adjusted to the current and new rate of exchange on the day the client pays. Should payment take more than 24 hours to clear the amount may have to be adjusted accordingly to cover any costs.

19. CONTRACT:

Once payment in whole or in part has been made by the passenger for a booking, the passenger shall be deemed to have accepted the terms and conditions contained herein as applicable to the contract entered into between the Company and the passenger.

20. TOUR PRICE:

Prices quoted are subject to the availability of flights, transfers, accommodation, event tickets and services at time of booking as well as currency fluctuations. We will advise you immediately if any of the aforesaid is either not available or differs from the price ruling at the time of your request. A quote is not a booking and packages may differ on booking.

The tour prices quoted are valid for the dates of the respective tours only. The Company expressly reserves the right to adjust the tour price at any time, due to currency fluctuations, airfare increases, minimum group travel requirements, or any other unforeseen circumstances.

Prices quoted do not include costs of obtaining visas and passports, courier fees for document collection, personal telephone calls, laundry, entertainment arrangements not shown in the itinerary, meals and beverages, unless actually specified and any other items of a personal nature.

Some event tickets can only be guaranteed once full payment has been received (subject to statutory increases such as VAT). Final prices may vary between quoting and booking due to availability on a daily basis.

However, airfares are subject to the price and conditions quoted by the airlines and cannot be guaranteed by the Company (PLEASE NOTE: This applies especially regarding airport taxes for the entire journey).

Should the Client be a group booking and the group number deviates from the number required for the booking, the Supplier and Company may reserve the right to re-cost the price and raise a surcharge. Should any Client refuse to accept and pay such surcharge, it may result in the Supplier cancelling the booking and retain any payment made (The Company will be entitled to retain any service fees charged).

Please note that in some case Suppliers may nevertheless have a clause requiring passengers to pay an additional amount in the event of fuel surcharges, fuel price increases, Specific celebration meals, or items not listed here, even though full payment has been effected.

Should the company be charged for any increases after full payment has been received, The Company may have to pass that charge on to the client.

The Client indemnifies and holds harmless the Company against damages suffered and/or costs incurred by the Company and/or any third party as a result of a breach of this clause.

Force Majeure includes renovations that may be carried out at your resort – whilst the Company will use its best endeavours to provide current information in that regard and whilst the resort will use its best endeavours to keep any inconvenience to a minimum, the fact that restoration or renovations are being carried out does not constitute grounds for any claim against the Company.

The Company will use its best endeavours to recover from third parties such monies as may have been paid to them on behalf of the Client. All monies so recovered by the Company will be reimbursed to the Client less a 5% (Five percent) of the Price as an administration charge. Professional fees charged by the Company are non-refundable.
