Governor Holcomb has extended the stay at home order until May 1. With that in mind, the library facilities will remain closed until that order is lifted. Keeping the buildings closed offers greater benefit to the social distancing effort to limit the spread of COVID-19.

However, there are many opportunities to use the library and enjoy the many resources and programs that the library offers. Check out the website for digital offerings and the library’s Facebook page for programs.

Need a library card? Apply for it here.

Due dates for library materials have been extended until the library buildings reopen.
