

About Securus Technologies

Securus Technologies, owned by Miami-based private equity company, H.I.G. Capital, is the leading provider of secure inmate telecommunications for the corrections industry, serving 2,200 facilities across 44 states, the District of Columbia and Canada. It installs and centrally manages state-of-the-art call management and communications systems for use by prisons and jails, and offers a variety of convenient payment products and services to inmates and their friends and family members.

About H.I.G. Capital

H.I.G. Capital is a leading global private equity investment firm with more than \$8.5 billion of equity capital under management. Based in Miami, and with offices in Atlanta, Boston, New York, and San Francisco in the U.S., as well as affiliate offices in London, Hamburg and Paris in Europe, H.I.G. specializes in providing capital to small and medium-sized companies with attractive growth potential. H.I.G. invests in management-led buyouts and recapitalizations of profitable and well-managed service or manufacturing businesses. H.I.G. also has extensive experience with financial restructurings and operational turnarounds. Since its founding in 1993, H.I.G. has invested in and managed more than 200 companies worldwide. For more information, please refer to the H.I.G. website at www.higcapital.com.

About Castle Harlan

Castle Harlan, founded in 1987, invests in controlling interests in the buyout and development of middle-market companies in North America and Europe. Its team of 19 investment professionals has completed 53 acquisitions since its inception with a total value in excess of \$10 billion. Castle Harlan currently manages investment funds with equity commitments of approximately \$3.5 billion. The firm traces its roots to the start of the institutionalized private-equity business in the late 1960s.
