PROFESSIONAL EXPERIENCE

Wrike Inc., San Jose, CA
Senior Brand Copywriter, March 2017 - Present

Looking to elevate their brand, Wrike needed a creative leader and thinker who could lead the charge in thoroughly researching their product and its users to craft a fresh brand voice, tone and look. The challenge? Creating a brand identity across multiple international markets. As lead brand copywriter for Wrike, I am tasked with creating brand guidelines, a library of marketing assets and email campaigns for use in North America, Ireland and Russia.

In addition to working with content and design teams, I also work in tandem with Marketing Operations and Lead Generation teams located in Saint Petersburg, Russia to analyze campaign results and discover new opportunities for engagement for international audiences.
