LEAD-PI
FUNDED
EXTERNAL
GRANTS

Knobloch Family Foundation. “Advancing Conservation in Wyoming through Natural Wealth Accounting”, \$280,000. 2020-2021.

Environmental Protection Agency Science to Achieve Results (STAR) Program. Integrating Human Health and Well-Being with Ecosystem Services. “Predicting Drinking Water Contamination from Extreme Weather to Reduce Early Life Contaminant Exposures”, \$799,384. 2020-2023.

National Science Foundation (NSF) Coastlines and People (CoPe) EAGER. “Establishing Interface Standards for Physical Exposure and Human Impacts Data Collection and Publication in Rapid Response to Coastal Hazards”, \$299,464. 2019-2021.

National Science Foundation (NSF) RAPID: Decision Risk and Management Sciences (DRMS). “Rural residents’ self-protections to perceived and actual contamination risk in private drinking wells after Hurricane Florence”, \$179,223. 2018-2020.

Environmental Protection Agency Science to Achieve Results (STAR) Program. Integrating Human Health and Well-Being with Ecosystem Services. “Community-level Management of Human Health Risks from Concentrated Animal Feeding Operations (CAFOs) with Defensive Natural Capital Investments”, \$399,226. 2017-2021.

Oak Ridge Affiliated Universities Ralph E. Powe Junior Faculty Enhancement Award. “Storm Protection Services of Mangrove Forests”, \$10,000. 2016.

Center for Behavioral and Experimental Agri-Environmental Research. USDA Economic Research Service. “Reuniting and Adapting to Fragmented Habitat for Red Wolf Recovery”, \$9,328. 2016.

ADDITIONAL
AWARDS

University of Wyoming Grand Challenges Planning Grant. “Adapting Pandemic-Driven Technological Advancement to Expand Ecosystem Service Reach and Virtual Access to Wyoming’s National Parks” (with Abigail Sisneros-Kidd, Emma-Jane Alexander and Amiee Reese), \$20,000. 2021.

World Bank Climate Change Group. “Climate change impacts on poverty in coastal ecosystems”, subcontracted. 2014.

EDITORIAL
SERVICE

Special issue guest editor (with **J.B. Kruse**), *Flood risk and economics symposium, Southern Economic Journal*, 2017-19.

BOOK CHAPTERS

Hochard, J. and E. Plous-Kresch. “Remote Sensing Supports Economic Inference in Developing Countries”. Chapter 13 in Kruse, Cromptoets and Pearlman (eds). *GEOValue: The Socioeconomic Value of Geospatial Information*. Taylor and Francis Group, Boca Raton, Florida, 2017.

Barbier, E. and **J. Hochard**. “Development, Ecology and the Environment” Chapter 33 in J. Ghosh, R. Kattel and R. Reinert (eds). *Elgar Handbook of Alternative Theories of Economic Development*. Edward Elgar, Cheltenham, UK, 2016.

REPORTS AND
COMMENTARIES

J. Bernazneva, T. Garg and **J. Hochard**. “AERE Summer Conference: Papers on Developing Countries”. *Economics That Really Matters Blog*. June, 2016.

E. Barbier and **J. Hochard**. February, 2015. “Geographical poverty traps in rural areas: a growing global problem”. *Let’s talk DEVELOPMENT: A blog hosted by the World Bank’s Chief Economist*. Featured on The World Bank Homepage.

E. Barbier and **J. Hochard**, 2014. “Land Degradation, Less Favored Lands and the Rural Poor: A Spatial and Economic Analysis.” A Report for the Economics of Land Degradation Initiative. Department of Economics and Finance, University of Wyoming. Available from: <http://www.eld-initiative.org>.

TEACHING

Spring 2020	Honors Capstone Sequence	East Carolina University
Fall 2019	Honors Capstone Sequence	East Carolina University
Fall 2019	Principles of Microeconomics	East Carolina University
Fall 2018	Principles of Microeconomics	East Carolina University
Fall 2017	Bioeconomics (PhD level)	East Carolina University
Spring 2017	Principles of Microeconomics	East Carolina University
Fall 2016	Capstone Research Project	UNC-Chapel Hill
Fall 2016	Principles of Microeconomics	East Carolina University
Spring 2016	Principles of Microeconomics	East Carolina University
Fall 2015	Principles of Microeconomics	East Carolina University
Fall 2014	Principles of Macroeconomics	U. of Wyoming
Summer 2014	Principles of Macroeconomics	U. of Wyoming

PRESENTATIONS
AND SEMINARS

April 2021: US Environmental Protection Agency (Washington DC - Virtual)
April 2021: The Wildlife Society - University of Wyoming Chapter (Laramie - Virtual)
March 2021: Mississippi State University Ag. Economics Department Seminar (Starkville - Virtual)
November 2020: Southern Economic Association AERE sessions (New Orleans - Virtual)
April 2020: University of Wyoming Job Seminar (Laramie - Virtual)
March 2020: Bates College Virtual Guest Lecture (Lewiston - Virtual)
November 2019: Southern Economic Association AERE sessions (Fort Lauderdale)
August 2019: Ecological Society of America Annual Meetings (Louisville)
April 2019: Applications and Potential of Ecosystem Services Valuation (USDA - Washington DC)
April 2019: Cornell University Social Cost of Water Pollution Workshop (Ithaca)
March 2019: Water Resources Research Institute (Raleigh)
March 2019: Old Dominion University Center for Coastal Physical Oceanography (Norfolk)
June 2018: World Congress of Environmental and Resource Economists (Gothenburg)
May 2018: United Nations Development Programme (New York)
May 2018: US Environmental Protection Agency-Research Triangle Park (Raleigh)
April 2018: Appalachian Experimental and Environmental Economics Workshop (Blowing Rock)

April 2018: Nordic Annual Environmental and Resource Economics Workshop (Bergen)
 April 2018: Bergen Economics of Energy and Environment Research Conference (Bergen)
 March 2018: Colorado State University's Department of Economics (Fort Collins)
 November 2017: Southern Economic Association AERE sessions (Tampa)
 October 2017: CBEAR Behavioral & Experimental Agri-Environmental Conference (Shepardstown)
 September 2017: UNC Chapel Hill's Institute of Marine Sciences (Morehead City)
 June 2017: European Association for Environmental and Resource Economists (Athens)
 June 2016: World Bank's Dynamic Decision and Planning Platform (Webinar - Washington DC)
 June 2016: Association of Environment and Resource Economists (Breckenridge)
 March 2016: Data to Decisions: Valuing the Social Benefits of Geospatial Information (Paris)
 February 2016: Social Coast Forum (Charleston)
 November 2015: Southern Economic Association AERE sessions (New Orleans)
 October 2015: Appalachian State University Seminar Series (Boone)
 October 2015: North Carolina State University CEnREP Lunch Colloquium (Raleigh)
 June 2015: World Bank's Development Impact Evaluation Workshop in Transport and ICT (Rio)
 August, 2014: North Carolina State University's Camp Resources XXI (Wrightsville)
 July, 2014: World Conference on Natural Resource Modeling (Vilnius)
 June, 2014: World Congress of Environmental and Resource Economists (Istanbul)
 May, 2014: Midwest International Economic Development Conference (Minneapolis)
 January, 2014: Initiative for Policy Dialogue's Advanced Graduate Workshop (Bangalore)
 June, 2013: World Conference on Natural Resource Modeling (Ithaca)

AWARDS

2018 ECU Residence Hall Association Honored Instructor.
 2018 Harriot College of Arts and Sciences *Dean's Early Career Award*.
 2018 East Carolina University *Coastal Scholar Award*.
 2017 EAERE Best Publication in *Environmental and Resource Economics*.
 2017 East Carolina University *University Scholars Award*.
 2015 University of Wyoming Promoting Intellectual Engagement (PIE) Teaching Award.
 2014 Resource Modeling Association (RMA) Best Graduate Student Paper.

PROFESSIONAL EXPERIENCE AND SERVICE

North Carolina House of Representatives Legislative Candidate. *NC House Seat 09.*
ECU's Early Career Contributions in Climate and Coastal Science Seminar Series.
Series Lead and Founder.
Albermarle-Pamlico National Estuary Partnership. *Technical and Scientific Advisor.*
Coastal Maritime Council–East Carolina University. *Advisory Committee Member.*
National Institute of Food and Agriculture (NIFA)–Agricultural and Food Research Initiative
 (AFRI) Environmental and Natural Resource Economics Area Grants Program. *Review Panelist.*
Agricultural and Applied Economics Association (AAEA). *Review Panelist.*
Oak Ridge Affiliated Universities POWE Early Career Awards. *Review Panelist.*
Bureau of Land Management, U.S. Department of Interior, Gunnison, Colorado USA.
Summer resource and recreation management intern.

AFFILIATED GROUPS

Agricultural and Applied Economics Association (AAEA)
 The American Economic Association (AEA)
 Association of Environmental and Resource Economists (AERE)
 Northeast Agricultural and Resource Economics Association (NAREA)
 Resource Modeling Association (RMA)
 Southern Economic Association (SEA)

REFEREE SERVICE

Environmental and Resource Economics (5).
Ecological Economics (3).
Journal of Environmental Economics and Management (4).

American Journal of Agricultural Economics (2).
Environment and Development Economics (2).
Proceedings of the National Academy of Sciences.
Ecohealth.
Food Policy.
Journal of Economic Behavior and Organization.
Journal of Flood Risk Management.
Journal of Housing Economics.
Land Economics.
Marine and Resource Economics.
Nature Sustainability.
Resource and Energy Economics.
Southern Economic Journal.
Sustainability.
