

**Dear Community Business Leader:**

In the last 20 years, Nepali people have moved to Akron creating a new beginning for their community. As a winner of the 2016 Knight Arts Challenge, Gum-Dip Theatre is collaborating on a multi-disciplinary performance that illustrates the rich history of the Akron-Nepali population in North Hill. The project will collect works of art, dance, music and performance by professional and Nepali artists to create a bilingual variety show. The performance will culminate with an after party catered by local Nepali food artists. You can find more information about the concept of "Nepali Applause" at [GumDipTheatre.com/NorthHill](http://GumDipTheatre.com/NorthHill).

As a respected member of the business community, **I ask that you please consider sponsoring this exciting community project.**

Enclosed you will find a sponsorship agreement with the three levels of partnership available. If a monetary donation is not possible, don't worry - there are other ways to give!

**SPONSORSHIP LEVELS:**
