Seton students join the GlamourGals makeover

CLARK — Students at Mother Seton Regional High School, established a Chapter of GlamourGals Foundation, a non-profit organization that has in a feeling I will cherish always. It a mission to promote self-confidence and self-esteem among high school girls. The group was formed in 2008 by the late Mother Seton Regional High School Principal, Msgr. John Clarke. The group's goal is to help young women develop their own sense of self-worth and support each other in their personal and professional lives.

The group consists of student volunteers who are paired with residents of Brighton Gardens, a senior living community in Clark, N.J. Each volunteer is matched with a senior citizen based on shared interests and preferences. The volunteers visit with their seniors on a regular basis, providing companionship and support.

One of the most successful initiatives of the GlamourGals Chapter is the annual makeover event. This year, the event was held on October 27th at the Brighton Gardens community center. The event included a hair and makeup station, where volunteers helped seniors get ready for a special occasion such as a fall festival or a trip to Atlantic City.

The makeover event is not just about making seniors feel good about themselves, it is also an opportunity for the students to gain valuable experience in the field of cosmetology and beauty resort. Many of the students who participate in the makeover event have gone on to pursue careers in the beauty industry.

The GlamourGals Chapter at Mother Seton Regional High School is just one example of how students can make a difference in the lives of others. By working together, students can create a positive impact on their community and make a lasting impression on those around them.
