Go, Go Glamour Gals!

Juniors Rachel Doyle and Gabrielle Lanzetta and Sophomore Vanessa Russell were the first to complete the Glamour Gals program on January 10, 2000. Glamour Gals, created by Doyle, offers teenagers the opportunity to volunteer at nursing homes and develop close bonds with the elderly women. Each participant is paired off with one woman and after several meetings, the student gives the woman a makeover under the supervision of a cosmetics professional. The purpose of Glamour Gals is to aid teens in forming personal connections with members of older generations. Doyle believes that the program was a great success and hopes to do more makeovers in the near future.
