RE: TEMPORARY SPRINKLER FITTER CERTIFICATION

Thank you for applying for the Sprinkler Fitter Certification from the CAL FIRE – Office of the State Fire Marshal.

This letter acts as your temporary certification while your certification card is processed. Our office is working hard to produce cards as quickly as possible, but due to the high volume of applications received, you can expect to receive your card within the next 45 days. In the interim, please use this letter to confirm your status with the local fire authority. You are required to carry this certification letter with you on all jobsites where applicable work is being performed until your card arrives.

If you have already received your Sprinkler Fitter Certification Card, please disregard this letter.

We thank you for applying for the Sprinkler Fitter Certification. If you have any questions, please contact the Automatic Extinguishing Systems (AES) mailbox at: AES@fire.ca.gov.

Sincerely,

Andrea Clayton
Division Staff Manager
