

No Longer Virtual

A two-day professional development opportunity focused on the value of face-to-face communication, and methods to leverage online relationships to improve offline outcomes

Thursday and Friday, February 22 and 23, 2018

Hotel Indigo, Downtown Denver, Colorado

Sponsoring our conference means that you help us provide a premier entrepreneurial development event.

As a participating sponsor, your company will be promoted in media - print and social – and in the event’s materials provided to all attendees. Sponsors at \$500 and above have access to one 6’ table with linen for company promotion for both days of the event. Sponsors are responsible for all aspects of hosting a table, including shipping to the hotel, setup, hosting during the event, break-down, and return of overage to the sponsor.

Sponsors are encouraged to contribute a promotional item for participant gift bags. We anticipate 2018 attendance to be 50 guests.

As a special bonus, gold and silver level sponsors will receive a complimentary registration to the event. Registration is valued at \$450 and can be used by you or a guest.

Thank you for your support,

Sarah Elkins, Elkins Consulting, Chief Storyteller
