- Foreign students (classified as such in terms of the Government Gazette No 19484, dated 27 November 1998) must take English as a minimum requirement. The Second Additional Language will be replaced with an additional major.

The following will serve as a guideline to our school’s approach to maintaining effective discipline at Jeppe Park Primary.

1. **Objectives**

   The main purpose of our discipline system is to encourage and promote appropriate behaviour by using positive incentives. The focus is on logical consequences.

2. **Management**

   Effective management of our discipline system requires commitment and support from educators, students and parents. Parents are encouraged to support the school’s discipline program.

3. **Discipline**

   Discipline is much more than control or punishment – it is what is done for a student, not to him/her. If your child comes home complaining about a discipline situation, please adhere to the following procedure:

   - Give the staff the benefit of the doubt
   - Realize that your child’s reporting may be emotionally biased and may not include all the facts and information.
   - Realize that the school has reasons for all rules, and that they are enforced without partiality.
   - Support the Administration and call the school for the facts.

   The discipline will be firm, consistent, fair and tempered with love.

4. **Disciplinary Measures**

   This protocol is a guideline for Teachers, the Social Worker and School Leader; for how to handle challenging and negative student behaviour and can be made available to parents on request thereof.
5. Attendance

- Students are to be at school no earlier than 7:00 a.m. and no later than 7:45 a.m.
- A written notice is necessary on the day when a student returns after a period of absence. If an absence is foreseeable, a note should be sent in advance.
- A student is considered tardy if s/he is not in class by 7:45 a.m. Continued tardiness will necessitate a conference with the parents/guardian and Principal.
- If there is a need for a student to leave early during the day, the Principal must receive a note from the parent/s before the student may be allowed to leave the school.

6. Social welfare of students

- As a school, we are obligated to report any type of abuse or neglect by parents/guardians of children; to the Police and/or Department of Social Development.
- Parents are expected to attend meetings with our Social Worker, should the need arise to discuss any social, or behaviour issues concerning a child. Failure to attend these sessions could lead to a suspension of your child/ren until the parent/s or guardian commits to a meeting.
