ABOUT THE EXHIBITION

The Greater Denton Arts Council proudly presents the 31st annual Materials: Hard + Soft International Contemporary Craft Competition and Exhibition. Recognized as one of the premier craft exhibitions in the country, Materials began in 1987 and was originally initiated by area artist Georgia Leach Gough. The exhibition celebrates the evolving field of contemporary craft and the remarkable creativity and innovation of artists who push the boundaries of their chosen media. Approximately 70 works will be selected by an esteemed juror for exhibition at the Patterson-Appleton Arts Center in Denton, Texas.
