

A close-up photograph of a woman and a young girl. The woman, on the left, has her eyes closed and a gentle smile, looking down at the girl. The girl, on the right, is also looking down with her eyes closed and a slight smile. Her hands are clasped together in a prayer position. She is wearing a red and black patterned sweater and a white headband. The woman is wearing a white knitted scarf and a red top. The background is softly blurred, suggesting an indoor setting with other people.

PRAY FOR THE DISPLACED

world relief*

Pray for the Displaced: An estimated 65 million people are forcibly displaced around the world, many of whom are fleeing turmoil and persecution in their home countries. Pray for God's provision for basic needs and protection from ongoing violence.

Pray for Refugees: Pray for refugees living in the Middle East, looking for refuge in Europe, and seeking to be resettled in the U.S. Pray for vulnerable children, who make up half of the total refugee population, and for women, who are especially at risk of exploitation and gender-based violence.

Pray for Churches: Pray that churches around the world are moved and empowered to serve the most vulnerable in their communities. Pray that the response of followers of Christ will be characterized by hospitality, compassion, and love toward refugees and the displaced.

Pray for Elected Officials: Pray that God would grant wisdom to those elected to positions of authority, as they make decisions that have profound impacts on the lives of the vulnerable throughout the world.

Pray for Peace: Pray that God would bring peace to areas of conflict and instability, and that churches would act as peacemakers.

Pray for World Relief: Pray that World Relief will continue to fill the role of servant and facilitator, empowering local churches to effectively serve the most vulnerable.
