

Hello! Nick and The Grooves® are excited to entertain you and your guests. We hope you enjoy perusing our extensive repertoire, which spans many genres and decades from 1920s - present. To search for a specific song title, we suggest utilizing the Find window (**Ctrl + F** or **⌘Cmd + F**). Here are some tips for browsing by artist:

- We organize by popular artist. For example, "Respect" is an Otis Redding tune but it's also under "Aretha Franklin." Similarly, instead of listing Steven Sondheim (famous songwriter) look under "Sinatra."
- Artists known by their last name are organized accordingly (ex: Sinatra =*S*, Hendrix =*H*, Santana =*S*). Artists are otherwise listed by first name (John Mayer =*J*, Stevie Wonder =*S*). Bands get similar treatment (The Beatles=*B*). Sting is with The Police under *P*.
- Jazz, Classical, folk, and religious standards are under "Traditional -"
- Some clients request our original tunes. We are touched and honored, but happy to play 100% covers at your event. If you want to browse our original titles, they're included at the very end.
