Don’t want to bother with the bells and whistles of a full reception? Or had to change your plans this year? We hear you. Make the most of a quiet moment together without breaking the bank.

We have policies in place to provide a safe, joyful, environment amid the COVID-19 pandemic and our Private Events team looks forward to helping you make this a one-of-a-kind experience, surrounded by vibrant rooftop crops and calming river breezes, that neither you nor your loved ones will forget!

Pared down to the essentials for you and your sweetheart to blissfully make things official, this one is just for you two— and maybe a small handful of ride-or-die VIPs you can’t do without.
