GATHER IN THE FRESH AIR, ABOVE IT ALL.
Spend a day on the farm and leave feeling refocused and revitalized.

Our half-day “Farm Outing” packages offer the perfect blend of curated workshop programming, a farm-to-table picnic lunch, and unstructured time to catch up with the people you haven’t seen in person for months.
IMMERSE YOURSELF IN A REFRESHING SETTING

A unique destination for celebrations in the heart of New York City, Brooklyn Grange operates the world’s largest soil-based rooftop farm and grows over over 80,000 lbs of organically-cultivated produce per year.

Surrounded by thriving crops, our covered, outdoor gazebo area allows for flexible seating on a sunny day, or enjoy our indoor/outdoor events space, perfect for all weather year-round. The rooftop farm boasts sweeping views of the East River, downtown Manhattan, and the Statue of Liberty. Farm-to-table takes on a whole new meaning when you’re served produce grown mere feet from where you’re seated!
