

JOIN AN INQUIRY TO ACTION GROUP ON LIBERATORY EDUCATION

This is an opportunity to build community with other teachers by learning together and linking social justice issues to classroom practice. The group will meet every other week October-December with another round Feb-May.

Teachers Democracy Project will partner with the ITAG group and can offer access to speakers, travel opportunities to other cities to learn from other liberatory educators, support with putting on curriculum events, and access to information about how educators can affect Baltimore School system policy around pedagogy and social justice curriculum.

Stipends are available depending on level of commitment.

The group will be led by City School teacher Kris Sieloff.
