

# SUMMER UPDATE 2013

## 2 CORINTHIANS 9:10-15

*10 He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness. 11 You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God. 12 For the ministry of this service is not only supplying the needs of the saints but is also overflowing in many thanksgivings to God. 13 By their approval of this service, they will glorify God because of your submission that comes from your confession of the gospel of Christ, and the generosity of your contribution for them and for all others, 14 while they long for you and pray for you, because of the surpassing grace of God upon you. 15 Thanks be to God for his inexpressible gift!*

**MY JOURNEY IS A REFLECTION OF YOU  
EXTENDING YOUR FAITH INTO MY LIFE. THANK  
YOU FOR ALL YOUR PRAYERS AND SUPPORT ON  
THIS JOURNEY. WITHOUT YOUR FAITH IN GOD  
AND BELIEF IN ME AS A PERSON, I COULD HAVE  
NEVER COME THIS FAR. I PRAY THAT GOD POURS  
OUT DOUBLE PORTIONS OF HIS  
BLESSINGS FOR YOUR FAITHFULNESS!**

# REMEMBER HAITI

Since our time in Haiti after the earthquake, my love and heart for this nation has never faded. Our journey there was the most life changing and faith stretching periods in my life. Often when all you physically see is devastation, our only hope is to lean on the Lord that all the work we did there in the spiritual realms will bear fruit. All I remember is praying that my weak faith paled in comparison to God's sovereignty for the nation.

And without a doubt, God has been faithfully watering the seeds we sowed through the prayer room plant, and the 200 Hour Burn initiative. YWAM Haiti since then has seen radical fruit as God's hand of salvation has been sweeping through the city. YWAM Haiti continued to fan the flames of the prayer room through their pursuit of prioritizing God's presence. What began in a small prayer room is now growing into a DEDICATED PRAYER CHAPEL at the heart of the campus!

On August 4th I'll be returning to Haiti! All they need is **\$3500** to complete the **entire** project! I believe we can raise this to radically bless them when I visit! I believe in this so much I'm committed to donate the difference of whatever we can't raise. Join me and pray about sowing into the heart of Haiti through this Prayer Chapel that will provide a place to prioritize His presence over the destruction in the nation. **CLICK AND DONATE HERE!**

# PRAXIS LABS

What an amazing journey! After this 8-month track of walking with our amazing mentors, I have to say God completely changed my life. Though we didn't win the cash prizes, the opportunity to walk with Christ centered men and woman of excellence was a priceless journey. My chance to be intellectually & spiritually stretched changed my DNA in how I will embrace the projects on God's Heart. This new book above was released by our mentors and is a must read for anyone who has a heart to bridge the gap of radical faith and radical excellency for the Kingdom of God! Click the photo!

# THE PRICE OF LIFE NYC

As a larger campaign, the Price of Life ([www.priceoflifeny.org](http://www.priceoflifeny.org)) has asked me to head up the Just Art competitions engaging 15 campuses in the NYC area. I will be coordinating three art competitions and one film competition to bring massive awareness through the future leaders of the creative arts sphere!

The overall campaign will have 80+ events with a goal to raise \$100,000 for World Vision, Nomi Network and Restore NYC. Being able to create robust relationships with sponsors and notable

judges has been amazing and I'm looking forward to the fruit of personally working with these organizations. Please pray God blows His winds of favor as I hope to reach at least have 100 entrants!

# SEX MONEY

A NATIONAL SEARCH FOR HUMAN WORTH

Since Praxis we have been working on re-releasing a shorter edit of the film. We hope to release this along with new tools of engagement we are currently working on. Just recently we were blessed with a \$15,000 grant by the Imago Dei Fund to continue our work in creating these tools. The team and I are working hard to create three action kits specific to the spheres of Parents, Youth, and Faith-Based. These kits are geared toward bridging anyone to be empowered to make a tangible difference in their local area to end this injustice in our life time. Please keep us in prayer for revelation and strength to create the end product that God desires!

# YOUR PARTNERSHIP MATTERS

Every bit of your support are seeds of impact on this Journey of Justice for our homeland. I am privileged to be a voice for the voiceless and be an extension of you all to make our nation slave free. I humbly ask that you partner in the following ways so that we are free to do whatever the Lord calls us to:

## 1) PRAYER

- I ask that you commit to covering me in prayer on a daily or weekly basis. We believe that every victory for the campaign, is because of the prayers that have protected us and launched us forward. It is not mere human strength that will keep us going, but the prayers of the saints to our Amazing God. (Ephesians 6:12)

## 2) FINANCIAL

### - *MONTHLY SUPPORT*

We are prayerfully remaining to live a missional life because it has given us an authority in the real world with those we encounter. That means we don't get paid by the movement, we raise our own support through relationships to meet our *basic living needs*. My goal is to raise **\$2000** per month through supporters who believe in my journey. I am still currently at **65%** of my goal - A donation as low as \$2 a day (Cup of Coffee!) will help me live this life of Faith.
