

My Butterfly Garden

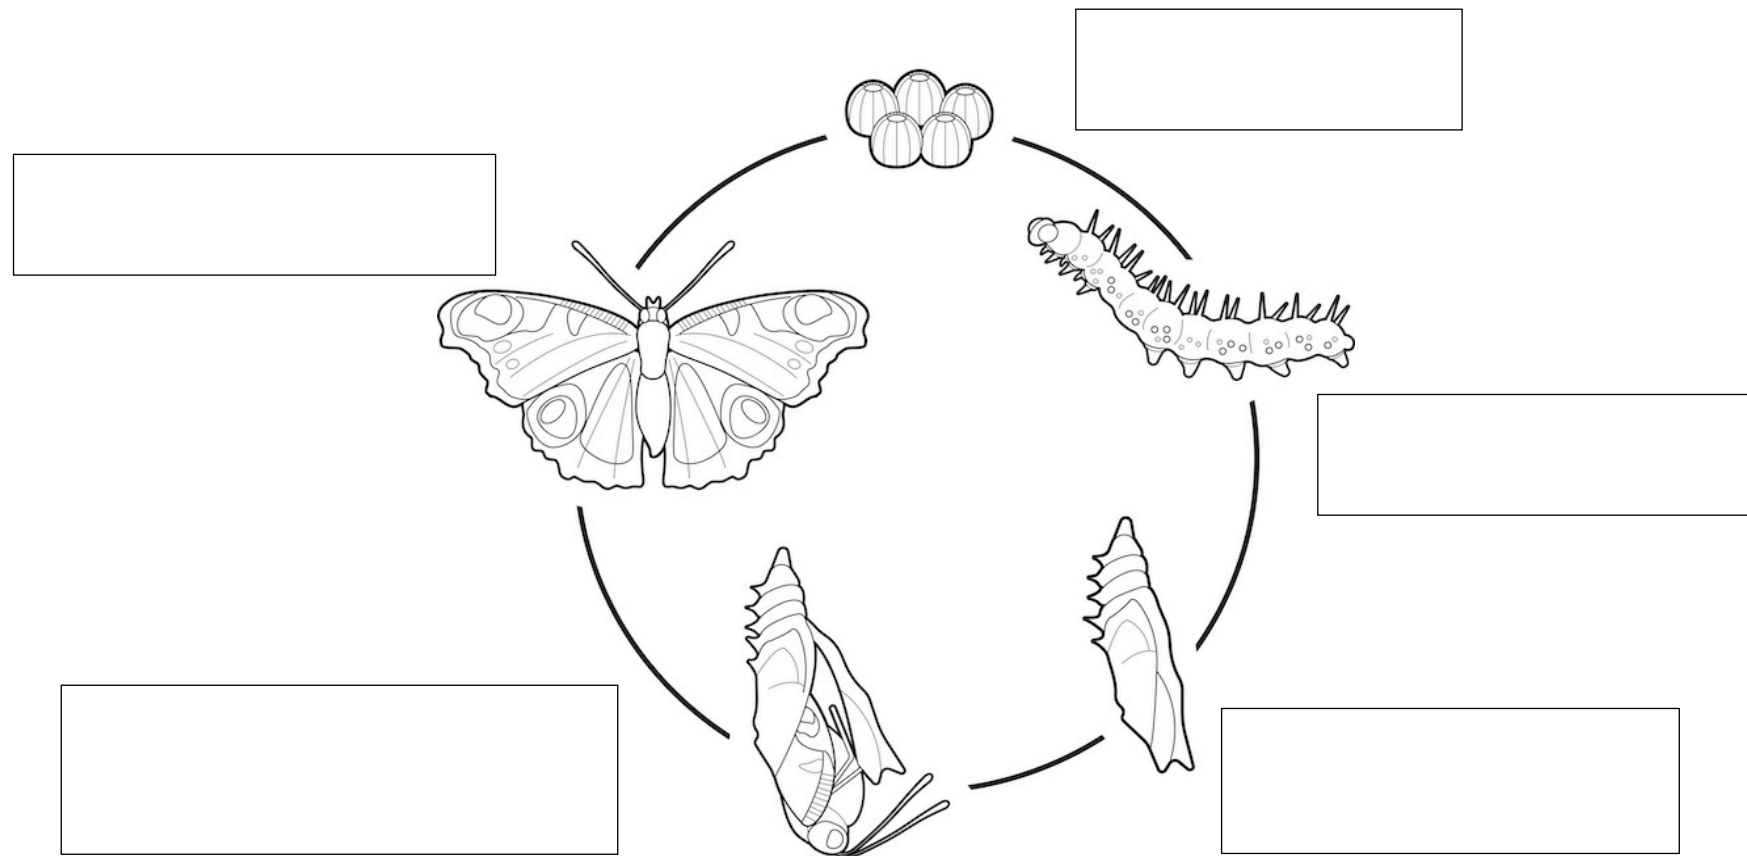

A kidcyber Companion book

by Shirley Sydenham & Ron Thomas

Did you notice that the story started and ended with eggs on a leaf? We call that a life cycle because it goes round and round.

Write labels and colour the pictures:

What insect is almost the same as a butterfly? It is a _____.

Read about them here: <https://www.kidcyber.com.au/butterflies-and-moths>

What things are the same?

What things are different?

Sometimes two words together make another - **butter** + **fly** = **butterfly**.

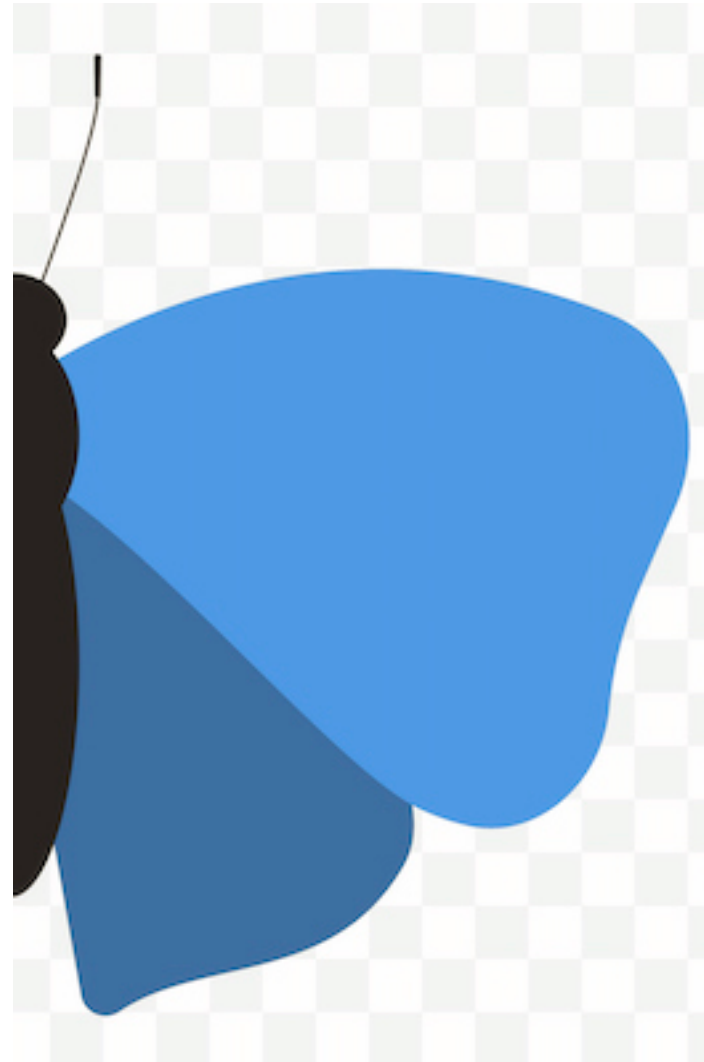

Write these words:

Snow + = _____

Draw the other half of the butterfly and decorate both sides the same.

'th' words – moth ends in 'th'

These words have 'th' somewhere. Read the clues and write the words.

You chew with these and brush them each day: _____

A room where you have a shower _____

The number after 12 _____

Birds are covered with these _____

Rose bushes have these prickles _____

A rumbling noise you hear in a storm _____

1st 2nd 3rd _____
