**UNICARRIERS WLX JACK \$3,995**

**Model:** WLX Walkie Pallet Truck  
**Capacity:** 4,500 LBS

**FEATURES:**

- **Amazing Agility** – Industry leading 59.4” turning radius with 48” forks creating effortless steering
- **Heavy-duty, high-output 1.5kW AC driver motor** – vertically mounted to eliminate cable flexing and delivering high starting torque and power
- **Contoured, tapered fork tips** – designed for fast, easy pallet entry and exit, with better fork tip visibility
- **Ergonomically design**– high-precision control with low steer effort and reduced operator fatigue
- **Industry leading heights** – 5.9” height provides plenty of clearance
- **Tiller-up drive switch** – allows for creep speed for precise load positioning and pinwheel turning
- **24-volt electrical system** – maximum work performance and run time
- **Maintenance-Free Performance** – sealed gearbox with permanently lubricated gears to minimize service
- **1 year Limited factory Warranty** - unlimited hours

**APPLICATIONS:**

- Loading & Unloading Trailers
- Supermarkets
- Grocery Wholesalers
- Warehousing
- Bottling Operations
- Department Stores
