August 15, 2022

Dear Families:

Welcome to the 2022-23 SY! Please see the latest updates below:

**Events:**
- August 23  Back to School Barbeque 5 pm
- August 24  First Day of School
- August 31  First Day of Kindergarten, Transitional Kinder & Preschool
- September 5 Labor Day (No School)

**Health & Safety:**
Please continue to monitor your students’ health and keep them home if they are sick.

Please make sure that your students’ immunizations and Health Care Plans are up to date as they are needed on record prior to attending school.

**Academic & Events:**
Watch for SY 2022-23 Students Handbooks – they should be coming home during the first week of school.

Please remember that students’ cell phones must be kept in their lockers at all times, as they create a major distraction to the learning environment.

Enrollment packets for next fall are available for Preschool (3 years old) through 8th Grade.

**Discipline:**
Please note that this year the guardians & police will be notified in all incidents involving tobacco, drugs, or weapons.

**Employment:**
We are also accepting applications for substitutes. For more information, please look at our website or call the office.

**Summer:**
Sports will start the first week of school. Please make sure your student has a physical on record beforehand.

**Food Service:**
Breakfast and Lunch will be served on the first full day of school. The Breakfast and Lunch Program will continue with the Community Eligibility Program which means no students will be paying for their Breakfast/Lunch or the Fresh Fruit & Vegetable Program. Family surveys are required to be completed.

Sincerely,

Nespelem School District

This institution is an equal opportunity provider.
