

Nespelem Community Center

Youth Activities/Events

On Tuesday nights we will be beading, if your youth is under 9, please have an adult accompany them. After October, our Tuesday nights will change, we will still have beading, but offering other activities each month, such as regalia making, bustle making, dance class, etc.

On Wednesday nights we will be offering Wellness Classes. Each month we will have healthy meal preparation, wellness workouts, healthy snacks, etc. We hope to have professionals teaching these classes, to our youth and community.

These events/activities will be from 5 till 7 P.M. Please contact Deby Stanger, at 634-2358 for more information.
