Many dancers and families showed up at the first disability special at the July Nespelem pow wow. We enjoyed witnessing all the happiness, smiles and pride. Here is a couple pictures we would like to share and thank you to the many people who helped make this happen.

*What is Disability Inclusion? Including people with disabilities in everyday activities and encouraging them to have roles similar to their peers who do not have a disability is disability inclusion. .*

AZ QUOTES

August's birth month flowers are the gladiolus and poppy. The gladiolus is a tall and elegant flower that symbolizes strength, honor, and moral integrity. The poppy, the beautiful red bloom made famous from the poem centuries ago, is often associated with remembrance and is used as a symbol of respect for fallen soldiers and veterans.

## ROAR WSU A program that makes a real difference

Make no mistake about it, WSU ROAR makes a huge difference in the lives of all who are involved in the program.

**WSU ROAR (Responsibility Opportunity Advocacy and Respect)** is a residential, inclusive postsecondary education program for students with intellectual and developmental disabilities (I/DD).

### Program Description

Washington State University Responsibility Opportunity Advocacy and Respect (WSU ROAR) is a two-year inclusive postsecondary education program for students with intellectual and developmental disabilities (I/DD) located in the WSU College of Education. WSU ROAR provides individualized programs of study in education, vocation, social skills, and independent living through person-centered planning. WSU ROAR is an employment focused program, and we work to provide individualized services that are consistent with each student's preferences, interests, strengths and needs so that they can prepare for and engage in competitive integrated employment and achieve economic self-sufficiency after program completion. WSU ROAR students live communally on the Pullman, WA campus, attend individualized programming, and complete WSU audit courses with same-aged peers. WSU ROAR welcomes young adults with I/DD to be part of the Cougar family experience. Upon completion of the program, WSU ROAR students earn a college recognized certificate of completion. WSU ROAR is a U.S. Department of Education Transition Program for Students with Intellectual and Developmental (TPSID) program and an approved Comprehensive Transition Program (U.S. Department of Education).

### WSU ROAR Essential Elements

WSU ROAR has five essential elements that guide the services and experiences that students receive while enrolled in our program. These essential elements include:

Person Centered Planning

WSU Audit Courses

WSU ROAR Courses

Employment Services

Facilitated Inclusive Campus and Community Experiences

Bottom line, young adults with intellectual or developmental disabilities get to fully be part of the Cougar family experience. Another way to say it: they get to be Cougs!
