What are Nest Box Field Assistants?
Volunteers work with Tracy Aviary staff to lead small groups of snowshoers to check on nest boxes for owls, chickadees and nuthatches. These checks help us understand how birds are using montane forests in Alta Ski Area and how we can protect them.

Training
ONLINE WEBINAR At home
1-2 PRACTICES IN ALTA Outdoor

Gear
NO SNOWSHOES? No problem. We have pairs to spare and can show you how to use them.

Action
MAR - JULY FIVE EVENTS
Commit to three Saturday afternoons in March through mid-June and two Thursday or Saturday afternoons in mid-June through July.

Your team
No need to have birding or snowshoeing experience. Tracy Aviary Conservation staff will train and mentor you.
