Snowshoe with us.
ALTA NEST BOX PROJECT
Get up close and personal with birds in the Alta Ski Area.

www.tracyaviaryconservation.org

What is the Alta Nest Box Project?
Snowshoe with Tracy Aviary to check in on nest boxes for owls, chickadees and nuthatches. These checks help us understand how birds are using this montane forest and how we can protect them.

Gear

NO SNOWSHOES? No problem.
We have pairs to spare and show you how to use them.

Tech

BLUETOOTH GOPRO
Snap up-close photos of wild birds. We offer the camera, you bring your cell phone.

Carpool

don’t have a 4WD CAR?
We got you. Tracy Aviary car pools from SLC or Park & Rides.

Come one time, or many!

Walk-up Events
Join when you can, learn to snowshoe and meet new people.

Volunteer
Come regularly, take lead and show others how to snowshoe and see nesting birds.
