Radical: Suffering now with future glory (2)

1 Peter 4 (page 1016)

Intro- People in pursuit of the eradication of suffering

1-11 Arm your minds for suffering, because it's time to leave sin and live for God!

12-19 Gladly suffer with Christ, because it's time for judgment to begin with us!

Discussion questions:

How does our culture pursue the eradication of suffering in different ways?

What's so dangerous about this culture for Christians?

How does Peter help us to change our perspective on suffering?
