*The Bibliography is limited only to works that are currently available at *Without Walls Learning Center*. Anyone familiar with the available literature on *Mark* will quickly notice that numerous important and major works are missing—they are on my wish-list (Christmas gift ideas © ...just joking)—however, the resources we do have available are more than sufficient for our general journey through *Mark*.

***BibleWorks 9*, 2011, software is also a tool that is made extensive use of. However, it will not be explicitly or consistently cited, as it would prove redundant and extensive to consistently cite the many resources inherent within the software. Rather, please note that it is implicit behind much, e.g., Bible Versions, original language discussions, maps, and much more.

***All notes are informal, therefore explicit citations are solely limited to direct quotations
