

# TRI-VALLEY REPUBLICANS

2023: We're Blessed with the Opportunity to Stand for Something - For Liberty and Freedom and Fairness.  
And These are Things Worth Fighting for, Worth Devoting Our Lives To... President Ronald Reagan

**Thursday, June 8, 2023**  
**Come One... Come All... All Are Welcome!**

**We Welcome Special Guest:**

**Brian Eschen, Executive Director  
Institute for Principle Studies (IPS)**

Brian Eschen's presentation is: "California: Not A Lost Cause - Giving Hope for Reclaiming California and Practical Strategies to Work Toward that Goal." Brian joined the IPS staff in November of 2020 after volunteering as a board member for several years. He brings with him a background in business, church leadership, and teaching. Brian's love for education has led him to volunteer his time teaching local students and being a resource to parents. His deep roots in—and love for—California gave him an instant connection with the message of liberty that IPS promotes. Since 1999, Brian has been happily married to his beautiful bride, Teresa. They were thankful for the opportunity to homeschool their three children: Brianna, Josiah, and Risa - who are all now graduated. Brian has been a part of speech and debate for over 10 years as a community judge, as a parent, and now as a speech coach for the homeschool club, Ag & Au (Silver and Gold), that competes within the Stoa USA Christian homeschool league. Brian also co-runs Bernal Investment, Inc., a family-owned real estate investment company with his twin brother, Jeff.

This should be a very informative evening! Please invite your family, friends, and neighbors! For more information on IPS, check out their website: [www.principlestudies.org](http://www.principlestudies.org)
