WHY US?

We want to connect your customers with quality products that delight them and continue to elevate your brand. Whether you are looking for products for an event, party or just because, we are here to help bridge the gap and make the connection you want, with as little pain as possible. We don't look out for the bottom dollar but to make your ideas a reality.

WHO HAVE WE WORKED WITH?

In the past we have worked with partners such as BMW, Matinee Group, Absolut, Scruff and many others to make all kinds of products that you can find in the list to the left.

WHAT IF THE PRODUCT I WANT TO PRODUCE IS NOT THERE?

No problem. After this we're going to set up a meeting to talk about your visions & goals. If there is a product you would like to see or would be interested in us looking into, great!

WHAT'S THE PRICE?

Price varies on how big your ideas are; we personalize every single order for every client, and price it out according to what you want and are looking for.

WHAT'S THE NEXT STEPS?

Glad you asked! To help give us an idea of where to start, we want to get to know you and your ideas. To the left you will see a brief timeline of all the steps necessary in order to produce your products. So feel free to email away and we will set up a meeting soon!
