

SINCE 2013, ROBOTMAN HAS BEEN EXPLORING NEW SOUNDS AND CONCEPTS OF INSTRUMENTAL MUSIC. COMBINING JAZZ WITH ELEMENTS OF ROCK, HIP HOP, FUSION AND LATIN STYLES, THEIR SOUND IS PROGRESSIVE AND EXPERIMENTAL.

"ROBOTMAN'S DEBUT ALBUM IS A GREAT COLLECTION OF SONGS, GROOVES, SOLOS AND TEXTURES FROM AN INCREDIBLE GROUP OF MUSICIANS. DRAWING FROM ALL STYLES OF MUSIC, THEY COMBINE DEEP JAZZ ROOTS WITH MODERN TECHNOLOGY WITHOUT SACRIFICING THE HUMAN ELEMENT OF INTERACTION AND IMPROVISATION. EVERY SONG SOUNDS FRESH AND NEW, EVEN WITH REPEATED LISTENING. I RECOMMEND THIS ALBUM TO MUSIC FANS OF ALL GENRES. IT'S JUST GREAT MUSIC!"

- Danny Gottlieb, 4 Time Grammy Award Winning Drummer & Professor of Jazz Studies, University of North Florida
