

Taking Your PLC to the Next Level

Presented by Dr. Douglas Reeves

Brief Description: What's next for your PLC? In this interactive presentation, Dr. Douglas Reeves provides important insights for educators and leaders who want to take their PLC to the next level. Key learning objectives include The Futility of PLC Lite, Assessing PLC Implementation, and Magnifying the Impact of the Four Questions of PLC's.

Participants will engage in activities that will allow them to apply these learning objectives to their PLC and leave the summit with a clear plan of action to enhance the operations and impact for every PLC in their school and district.
