

Fred Jones Positive Classroom Management

Presented by Kim Marshall

Brief Description:

- A “clicker” self-assessment of participants’ status on ten dimensions of discipline
- How Fred Jones got into the business of teaching classroom management
- His maxim: 95% handled in classrooms – as “cheaply” as possible
 1. Prevention: Classroom layout, rules, routines, and relationships
 2. Setting limits – “The Look”
 3. Group incentive system – Preferred Activity Time
 4. The back-up system
