

ROOM *for* MORE

FAQ's

How much should I give?

No one can tell how much you should give, as the financial obligations of each family are different. We believe God will reveal your amount if you diligently ask Him and He will provide the resources when you step out in faith.

Is this part of my regular offering?

No, please consider your Room for More gift as an additional offering. It is important that your regular giving is not replaced by your pledge, as our normal operating expenses will still need to be met through our weekly offerings.

How can I give my Room for More gift?

BY CASH or CHECK: Your gift can be added to your regular offering by specifying the breakdown in the memo line on your check or on the giving envelope.

ELECTRONIC: You can set up a one-time or recurring gift online through your checking account, savings account, debit card or credit card. Giving online is safe and secure. To begin giving online, visit our website at www.freshwatercc.org and go to the "GIVE" section. There you will be guided through our safe and secure giving process. If you have further questions, contact the office at 269.657.6500 or office@freshwatercc.org.

OTHER WAYS TO GIVE: If you would like to contribute to Room for More through in-kind giving, stocks, bonds or other asset pledges, or corporate matching programs, please contact our office.

Will my pledge be published?

No. Your gift amount will be held in the strictest confidence and will only be known by our finance team for accounting and pledge tracking purposes.

What if I am currently unable to give?

Please return a commitment card that does not stipulate a cash gift. It may be that the result of your prayer time is that God simply confirms your present giving as sufficient. By returning the card, you indicate to the church that you have prayerfully considered the need and will continue to support the church as God enables you. By returning the card, you will avoid receiving future reminder correspondence. You can always turn in another pledge card if your circumstances change in the future.
