The Nature of the Work
THE NATURE OF THE WORK

One of the ways a presbytery leads and guides the witness of its congregations,...so that all congregations become communities of faith, hope, love and witness,” is through its role as pastor, counselor, and advisor. (G-3.0307)
The Nature of the Work

In this role the presbytery through the COM

“Keeps the lines of communication open with its congregations and church leaders, enabling the presbytery to better understand their lives and ministries and in turn, to respond appropriately.”

Fitness and Suitability Interview

Our Philosophy:
This interview enables the Commission on Leadership to garner a sense of who our prospective pastoral leaders are and how they might conduct themselves once they are on the field. The interview is a part of the examination for presbytery membership. Although the Book of Order allows for the possibility, there is not a sense here that we are seeking to prohibit someone from entering the presbytery, only that we might be better prepared to anticipate and interact with individuals who serve in ministry.
