

The National Academy of Sciences
of the
United States of America

confers the

NATIONAL ACADEMY OF SCIENCES AWARD
FOR SCIENTIFIC REVIEWING

Supported by Annual Reviews

upon

Sarah B. Hrdy

For her insightful and visionary synthesis of a broad range of data and concepts from across the social and biological sciences to illuminate the importance of biosocial processes among mothers, infants, and other social actors in forming the evolutionary crucible of human societies.

Susan A. Westler
Home Secretary

Ralph J. Ciccarelli
President

Washington, D.C.
