Mail, Visiting, and Phone Calls

-Mail for campers is encouraged and is the best way to let them know you are thinking of them.

Be sure to put their name on the envelope and address it to the camp P.O. Box 638, Westport, IN 47283

-The Dean, Pastor, and Cabin Leaders work diligently for the continuity of the week for the campers. The continuity keeps campers focused, busy having fun, and helps prevent homesickness. It is amazing how a phone call or visit from someone back home can trigger homesickness and disrupt the continuity of other campers as well; therefore, visits and phone calls from home are discouraged.

-Please do not ask your child to call you while they are at camp. If your child has a need or an adult needs to communicate with you, someone will contact you.

-When your child is at camp please consider no news as good news.

-For more helpful information on how to prepare your child for camp, go to the website (www.westportcamp.com) under the "Camps" tab.
