MY COMMITMENT AS A PARENT SIGNING UP FOR RELIGIOUS EDUCATION:

"I understand that parents are the first and most important educators of their own children, and they also possess a fundamental competence in this area: they are educators because they are parents."

-- Pope John Paul II in 1994 Letter to Families, 16

Religious Education supports and enhances your at-home faith formation-- which includes religious education. It does NOT replace it. Therefore, we ask you:

- To attend mass weekly with your child
- To pray as a family
- To prepare for the upcoming Sunday readings as a family ~ Guidance is in the bulletin.
- To make sure your child attends class regularly
- To reinforce class lessons
- Finally, to participate in Religious Education yourself, so your child sees how important it is to you... **We request that you make yourself available for a minimum 2 hours per term.**
