

NINGBO SPARK

Ningbo Spark is a premium GC1 hi-bulk folding box board competing successfully with world best GC1 boards. Enhanced printability and stiffness gives excellent performance in printing and converting. The low density characteristic makes Ningbo Spark an ideal choice for light weight luxury packaging and graphic applications

FEATURES & BENEFITS

- Hi-bulk folding box board.
- Excellent performance in printing and converting.
- Light weight luxury packaging.
- Pharmaceutical and health care packaging.

END USE APPLICATIONS

Beauty Packaging

Boxes

Pharmaceutical
