

CHIEFTAIN

CHIEFTAIN is a premium coated two-side environmentally friendly board and has great stiffness and thickness. It is a five-ply board that gives even gram distribution for great paper formation. This makes Chieftain an ideal board for a wide range of graphical applications.

FEATURES & BENEFITS

- Good stiffness and thickness.
- 5-ply provides even weight distribution for great paper information.
- Excellent printability.
- High Brightness and smoothness.
- Environmentally friendly.
