**Cool Down/Conversation Starters**

Cool Down/Conversation Starters are simply that - brief discussion prompts designed to provide players with opportunities to think, share and have fun together with their peers during the Cool Down Step of practice. Conversations Starters should be pre-selected by coach-mentors during the Staff Set-Up Step of their practice. Below are some conversation prompts, separated by age level. Coach-mentors can use these prompts early in the season as a jumping off point, and later on have the autonomy to bring their own Conversation Starters, or allow players to suggest their own!
