## **Directions from Merignac Airport to Chateau Rigaud**

1. The airport road takes you to a roundabout, follow direction Bordeaux then go straight over at the second roundabout and straight afterwards take the second right hand turn onto the ROCADE, Direction Paris and Libourne.
2. Follow the Rocate until you cross over the huge suspension bridge, the Pont D'Aquitaine. As you leave the bridge move into the right hand lane and stay there, taking the second filter right, DIRECTION LIBOURNE, and then again after a couple of kilometres you exit the Rocate on the LIBOURNE slip road.
3. There are traffic lights at the top of the sliproad, turn left onto the N89 / E70 following the dual carriageway up the hill, direction Libourne.
4. Stay on this dual carriageway to exit 9, Libourne which is also signed for St Emilion and Castillon
5. Stay on this road until you reach the exit signed for St Emilion and Castillon La Bataille. Turn right at the top of the slip road and follow the road all the way to Castillon La Bataille.
6. While you're on this road you'll pass signs for St Emilion on the hill on your left. Be very careful of the speed camera in St Pey D'Armens!
7. Approaching Castillon you pass a huge E.Leclerc supermarket on the right. At the next roundabout take the right exit signed for Pujols.
8. Follow this road around the sharp bend and at the T Junction turn right, then continue over the iron bridge (designed by Eiffle of Eiffle Tower fame!) and continue to the next T Junction.
9. This is a dangerous junction so be careful.... you need to turn right then immediately left. Continue past the Moullets et Villemartin village sign then take the first right turn which is opposite the war memorial and signed for the Cemitiere. You then pass the cemetery on your right and continue across the valley to the next T junction.
10. Turn left at the T junction and continue for about half a mile, round a bend then down the slight slope until you see Chateau Rigaud ahead of you on the right hand side.
11. Drive up through the arch and park under the tree. Someone should come out to greet you and take your bags before you park your car in the parking at the far end of the quad.
