

Announcing our 2022-2023 Season!

Dear Friend of WCO,

Join us! We are so pleased to present to you Washington Concert Opera's now 36th season. This season features arguably the best of Donizetti's operas from his dramatic "Tudor trilogy" (*ROBERTO DEVEREUX*) and a work featuring arias, duets, and a chorus we are sure you will recognize and love, and that essentially catapulted Verdi's career (*NABUCCO*).

In addition, our series of free, outdoor concerts (*OPERA OUTSIDE*) continues to expand, with more opportunities than ever to hear live opera throughout the DC Metro area to be announced soon. Check our website and social media accounts for more information.

See you at the opera!

P.S. - Season brochures are in the mail. If you are on our snail mail list, you should be receiving one soon!
