## Dear Alumni, Family and Friends,

We are excited to bring you the winter edition of *The Bedan Record* and the 2018-2019 Annual Report.

### DEVELOPMENT SUCCESS

It was an extraordinary year for Development. Alumni, family and friends came together as never before to raise a record number in philanthropic gifts during the fiscal year, which ended June 30, 2019. Record-breaking gifts demonstrated a strong commitment to all areas of Development and especially for the St. Bede Fund reaching \$440,930 and the 2019 Auction which raised an incredible all-time high of \$351,582. These successes would not be possible without the generosity of our donors and alumni.

### THE LEGACY PROJECT CONTINUES

The start of a new semester brings us exciting news to share about the Legacy Project. Students and staff celebrated a milestone with the completion of the restrooms - the first, and critical project of Phase 3. Thanks to the generosity of our donors, the 70-year-old restrooms were updated with new plumbing, fixtures and receptacles, and modernized to match the overall design of the Perino Science Center. Men and women have each gained an additional restroom, conveniently located on both the first and second floors of the school.

As the student population continues to grow in both day and boarding students, it is more important than ever that renovations to our historic building take place to keep up with demand. Our goal is to improve the learning environment for students and teachers, one where they can prosper in a dynamic educational paradigm. Therefore, Phase 3 continues with renovations of the main school

building at a cost of \$4.2 million, and will be completed in four sub-phases. Beginning on the second floor of the Academy, renovations in the first sub-phase will include the stairwells and wood railings, new tile for the corridor, heating and cooling, new lighting, and new lockers at a cost of \$1 million.

Phase 3 is a separate giving opportunity made possible through the Capital Campaign Legacy Project. As we work towards completing Phase 3, please consider a gift to the Legacy Project and help us celebrate another milestone. A gift to support the next sub-phase is an opportunity for alums to have a direct impact on the building in which they were educated in and may have lived. Your gift matters and says thank you to the monks and teachers who influenced and transformed your life. You can help us to transform our building as we address the much needed renovations to the school.

### LOOKING AHEAD

2020 begins a new decade and is also the year of the 130th anniversary of St. Bede. The monks founded St. Bede as an expression of the faith commitment of their monastic life, and with your continued support, we can continue this good work. Join us in ensuring that future generations of Bruins can enjoy the same benefits of a St. Bede education within the same walls as past generations. I look forward to speaking to our St. Bede family and hearing your thoughts on how we can help bring another dream to reality. Please call me to share your desire to be a part of Phase 3. Together we are St. Bede!

## THANKS TO YOU, #GivingTuesday reaches a half million for St. Bede!

The Spirit of St. Bede was with us December 3, as we reached record highs on #GivingTuesday. During the daylong event, 309 generous alumni, parents, friends, faculty, staff, and students contributed to the St. Bede Fund, helping to raise an amazing \$152,000, a 17% increase over 2018. These amazing totals made #GivingTuesday 2019 the largest St. Bede #GivingTuesday ever.

With a goal of \$83,000, the day was set in motion with matches of \$41,500 received from several generous donors. Daubert Chemical Co. and an Anonymous donor each donated a match of \$10,000. Angelo Perino '80, David Porter '61, Michael Rossiter '61 and Stephen Stevens '69 each provided matching gifts of \$5,000 and LaSalle State Bank contributed a match of \$1,500. To keep the momentum going after we reached our goal, St. Bede received a \$15,000 additional challenge match from Gene Bernardoni '57 and an anonymous \$2,500 match. With the help of these matches and the generosity of hundreds, St. Bede was able to well exceed our goal and set a new record.

Our St. Bede family continues to pour out their tremendous support on this day year after year. Funds donated on #GivingTuesday has shown a 57% increase since its inception in 2015. We are thrilled to top a half million dollars in five years and doubly grateful to all our generous matching donors over the years. What a proud day to be part of the Bruin family!

## TRANSITION AND CHANGE

While some people might think that Monastic life is dull and boring, I have not found that to be the case. The Holy Spirit can work in mysterious ways and is full of surprises. In the summer of 1998, I had finished most of the requirements to be a Licensed Clinical Counselor and was concluding my first year as Prior of the monastery. Abbot Claude called me into his office and told me that he had good and

bad news for me. The good news was that I would no longer have to be the Prior of the Monastery; the bad news was that I would become the superintendent of the Academy. I told him I wasn't trained for this and he said I would learn. So I accepted the challenge and was blessed with the many people who worked with me. We had moments of great hope and times of disappointment. In 2007, Abbot Claude called me into his office and told me that I would no longer be the superintendent but would instead work in the Development Office.

We began a search for the new superintendent and it is clear to me that the Holy Spirit was really working as Dr. Ted Struck, who knew some monks from St. Bede when he was an altar server, accepted the position. Ted has worked tirelessly from the day he started. He was willing to do anything, or go anywhere, to improve the Academy. Every time something didn't work, he went from Plan A to Plan B. And he was always willing to learn. A number of times he started a conversation with the statement, "This is what I would do" now what would a monk do? His two-year contract has grown to 12 years and

with his typical foresight he has spent the past two years preparing the Academy for his retirement. I am comforted by his promise to continue to help us. Ted has truly been God's instrument to improve St. Bede Abbey and Academy. On a personal level I have learned much from Ted and will miss our regular conversations. However, I am consoled with the knowledge that he will still be available.

Eve Postula '84 and I will be working together to establish a leadership organization role for the Abbey and Academy. She is very familiar with the finances of the Abbey and Academy, having worked at St. Bede for 14 years, and has spent the last two years assisting Ted in developing a transition plan. I am excited to have such a fine person to help me direct St. Bede Abbey and Academy. I frequently say to myself that I am too old for all this work, and God says "Pray, listen to me and work with the people I send to guide, support and lead you."

Stay tuned. There is much more to come as we unveil plans to sustain the future of St. Bede Abbey and Academy. God is good, and working together we can do many good things. Let us work, pray and support one another. We cannot reach our goals without your prayers and support. May God bless us all.

# A Year in Review

## THE FY '19 CHALLENGE

Going into FY '19 we were acutely aware that we would be focused on remediating the unsustainable operating loss projected in our FY '19 budget. The primary reason for this loss was a 55% drop in our boarding population. The Academy went from 25 boarders in FY '18 to 11 in FY '19. In retrospect the reasons leading to the lack of new boarders are now

understood. However, at the time, the lack of success on the part of our then partners in recruiting the number of students that they had committed to produce in FY '19 was not foreseen or expected. When we entered into the relationship with this "partner" organization we did so with the mutual understanding that St. Bede would, at a minimum, be doubling its boarding student population over the next 3-5 years. It is important to note that were it not for the outstanding fundraising efforts by the Development Department the actual deficit incurred in FY '19 would have been significantly greater. As a result of the Developments staff's dedication and effort, the growth in revenues from both the St. Bede Fund and the annual Auction exceeded our annual expectations and helped to minimize the loss of boarding income.

We began our efforts to rebuild our boarding program almost immediately after we recognized that the promised new boarders were not going to materialize. In February of 2019 we hired a Director of Residential Programs. The primary responsibility of this new hire is to seek out and develop new and diverse markets for the purpose of recruiting new domestic as well as multi-national boarders. At about the same time we severed our "exclusive" ties with our unsuccessful partner and began revisiting all of the organizations that in prior years helped us to maintain our targeted boarding population but who were unable or unwilling to help us with our plan to grow our boarding population. Following several trips abroad and face to face meetings we were able to reconnect with our former sister school (Kinglee) in China. In March of 2019, St. Bede Academy and Kinglee High School agreed to a relationship that will grow St. Bede's boarding population to over 70 students by the '22-'23 school year. This year Kinglee made good on its commitment to provide St. Bede with 20 new boarding students which allowed us to fill the 32 beds that are currently available

at the Academy. The agreement between St. Bede and Kinglee is mutually beneficial and both parties are expecting this partnership to be long term. Given the immediate success of our relationship with Kinglee, the investment in domestic and multi-national recruiting and the continued generosity of St. Bede alumni and friends we believe that the Academy can expect to maintain a sound financial position for many years to come.

Even though our administrative focus in FY '19 was stabilizing St. Bede's financial position it is important to note that Academy students continue to excel in all areas of secondary school measure. St. Bede students dominated in the Worldwide Youth in Sciences and Engineering (WYSE) competition with a team win in Regional competition. Two team members, Alex Dittmar and Curt Fitzgerald were first place winners at the State WYSE competition. Our Scholastic Bowl team won its 5th Regional title in a row. The Academy was home to a National Merit Scholar, Alex Dittmar, as well as a 2019 graduating class that had 26% of its classmates named as Illinois State Scholars. Athletically the Academy Girls' softball team placed 3rd at State and the Track team sent four individuals to the State Track Finals. Clearly the culture of excellence lives on in the halls of St. Bede Academy.

As many of you may be aware 2020 will mark my twelfth and final year of serving St. Bede as its Superintendent. My departure marks the culmination of a two year plan that ensures a seamless transition to a new, informed and energized leadership team at the Academy. The new leadership team will be led by Eve Postula '84. Eve is the current treasurer at St. Bede.

It has been a privilege to be a part of the St. Bede family and to work with the students, staff, parents, alumni and friends of the Academy. I will always cherish and hold dear the years that I have spent at St. Bede. I have truly been blessed.

Dr. Ted Struck  
Superintendent

## WAYS TO GIVE

As alumni and friends, we share the responsibility of continuing the Benedictine traditions of academic excellence and Catholic values. Listed below are various options you may wish to consider when making your next gift to St. Bede.

- ◆ **Matching Gifts - Double or triple your gift.**  
Visit the new **Matching Funds** page on our website under **Support** to see if you or your spouse's employer will match your donation.
- ◆ **Memorial Gifts - A Memory and an Honor.**  
Hundreds are remembered in prayer by our monks and students. Contact the Development Office at 815-250-0347 or jeannie@st-bede.com for a memorial packet. A memorial packet sample can be found on the **Ways to Give** page on our website under **Support**.
- ◆ **Individual Retirement Account - A tax free gift.**  
Are you or your spouse 72 or older? The law allows you to donate your Required Minimum Distribution (RMD) directly to St. Bede and be free of federal income tax.
- ◆ **Gifts of Stock/Securities - Twice the savings.**  
Gifts of securities, stock or bonds offers you a tax deduction; a gift of appreciated securities may also reduce your capital gain tax liability.
- ◆ **Special Gifts Club - Specific areas in need.**  
Your generosity in the total or partial funding of these items of particular interest to you will make a significant difference.
- ◆ **Class Gifts - Strength in numbers.**  
Class members can join together to support St. Bede with a class gift.
- ◆ **Auction/Special Events - Make a difference.**  
Be an underwriter, sponsor, or fund-a-need hero. Help support our fundraising events.
- ◆ **Planned Giving - A gift for future Bruins.**  
As a beneficiary in your will or trust assures future generations benefit from a St. Bede education.
- ◆ **In-Kind Gifts - Share your connections/resources.**  
Professional goods or services made directly to St. Bede may be recognized for tax purposes at the fair market value.
- ◆ **Gifts of Endowment - A gift that carries on.**  
Make a gift for the future by establishing or contributing to an endowment.

Our Interactive **Ways to Give** page can be found on our website, under **Support**, and includes detailed information and relevant forms for making these types of gifts.

## A Tax Free Way to Help St. Bede Academy

### Did you know your IRA could be a gift to St. Bede that gives back?

Consider making an IRA Charitable Rollover gift to St. Bede Academy. Your Required Minimum Distribution (RMD) can be donated to St. Bede and help our legacy to live on.

Many generous alumni and friends 72 years and older are making gifts to St. Bede through their IRA by donating their RMD or part of it as a direct donation to St. Bede which is not taxable.

A special dedicated IRA Charitable Contributions page including FAQ's and instructions for making this type of gift can be found on our website on the Support page. Contact Julia Yaklich at 815-250-0359 or jyaklich@st-bede.com.
