

# Communications Manager

**Location:** Seattle, WA

**Type:** Full-time

**FLSA Status:** Exempt

## About AxonVR:

AxonVR is reshaping the way we interact with technology by bringing lifelike touch to digital experiences. When you combine our HaptX™ Platform with virtual reality, you experience what journalists describe as "absolutely magical" and "freaking epic."

We have a bold vision: a world in which virtual experiences are indistinguishable from real life. As trailblazers in haptic technology, each team member is mission critical. We're growing quickly, so now is the time to join us in shaping the technology of tomorrow.

## About the position:

We seek a Communications Manager to craft and share AxonVR's story to our audience of investors, partners, and influencers. The Communications Manager will lead AxonVR's internal and external communication programs including managing public relations, social media, and editorial content. This role will help develop a comprehensive go-to-market communications plan, and help execute a successful enterprise product launch.

## Essential duties include:

- Manage AxonVR's social media channels: LinkedIn, Facebook, and Twitter
- Oversee public relations, corresponding with media, analysts, and influencers
- Plan editorial calendar, edit blog and newsletter, and contribute original content
- Organize and attend events, conducting technology and product demos

## Required skills and expertise:

- Minimum of three years of professional communications / PR experience
- Demonstrated professional social media management ability
- Exemplary written, oral, and visual communication skills
- Self-motivated, adaptable to change, and able to work under pressure

## Desired skills and expertise:

- Experience in tech industry (especially VR/AR) and digital/social media savvy
- Experience in Microsoft Office, Adobe Creative Suite (Photoshop, Illustrator), social media planning and listening tools (Hootsuite, etc.)
- Bilingual ability a plus, particularly Chinese and Japanese.
