1048
northern
food system
assets

There are around 1048 food systems assets across the North (assessed 2018). Assets include:

- **ENTITIES** (i.e. farms, shops and grocery stores);
- **SERVICES** (i.e. utilities and transport or one-off events/campaigns); and
- **INITIATIVES** (i.e. food/nutrition programs, policy, funding, research initiatives, and networks).

FUNDING

STEP (Student Training and Employment Program)

Program offering wage subsidies to support employers in hiring students

➔ yukon.ca/en/doing-business/funding-and-support-business/apply-subsidy-hire-summer-student#apply-for-a-subsidy-to-hire-a-step-student

CCHAP (Climate Change and Health Adaptation Program)

Funding to support community-designed and driven projects relating to climate change adaptation

➔ www.sac-isc.gc.ca/eng/1536238477403/1536780059794

TRAINING

AgriDiversity Program

Support for under-represented groups to build entrepreneurial, growing and other skills and knowledge in order to fully participate in the Canadian agriculture sector

➔ www.agr.gc.ca/eng/agricultural-programs-and-services/agridiversity-program/?id=1517326808755

Courses: Northern Gardening Series

Learn how to sustainably grow healthy, nutritious food and increase biodiversity and food resilience under sub-arctic conditions

➔ www.yukoncollege.yk.ca/programs/continuing-education/northern-gardening

POLICY

Sell Your Agricultural Products

Document outlining regulations around the sale of meat, eggs, produce, and other local food products in the Yukon

➔ yukon.ca/en/sell-agriculture-products#eggs

Report: Recommendations on Northern Sustainable Food Systems

National Indigenous Economic Development Board's review and policy recommendations for creating sustainable food systems in the North
